

Director of Personnel
5E-58 Hqs

Fred:

Paragraph 3f(2) does not represent what I interpret to be the Management Committee desires and interpretation and certainly doesn't satisfy me in that it addresses a single Agency component. It is very strongly DD/O oriented with some flavor of the DD/I, but it leaves very little room or guidance in terms of people from S&T and M&S who might be eligible for this award.

151 Harold Lj.
